

August 10, 2026

Attention:

The following message was received from the NJ DOH on the water testing for lead and copper for the Bayonne Head Start located at 21 W. 8th Street in Bayonne, N.J.

Valued Client,

Attached please find analytical results for sample(s) you submitted to the New Jersey Department of Health's Environmental and Chemical Laboratory Services on 7/21/26. A copy of the Sample Submittal form(s) is also included in the attachments. If you have any questions, please feel free to contact me by e-mail or by telephone at the number listed below.

We are pleased to report that all samples submitted met safe drinking water criteria for Lead and Copper.

On behalf of the New Jersey Department of Health I would like to thank you for the opportunity to serve your organization.

Sincerely,

Latasha Blue
